ADMINISTRATION

PRINCIPAL: Mr. Tony Espinoza

TO THE ANNUAL STAFF

In these trying years your generation is faced with many perplexing problems, nationally and locally. You are to be commended in being able to bring a cheerful smile to the many people who have occasion to brief through the Primero Annuals. It would be wonderful if each graduate of Primero in Vietnam and other troubled areas would have a few moments to view the Annual as we do. It, also, would be wonderful if we could be there to see that smile.

You, the Annual Staff and your Sponsor, are to be congratulated for the hard work and sacrifice you must make to see that the Annual reaches every student on time.

Your time and energy have not been in vain.
